A Letter From Dr. Stanley

GOD HAS SHOWN US THAT WE HAVE AN EXCELLENT FOUNDATION—AN EXTENSIVE LIBRARY OF DISCIPLESHIP RESOURCES THAT NEED TO GO FURTHER. HE HAS ALSO REVEALED THAT WE MUST GO FORWARD IN FAITH—TO NEW PLACES AND THROUGH INNOVATIVE TECHNOLOGY TO LEAD MORE PEOPLE INTO A GROWING RELATIONSHIP WITH JESUS CHRIST.

DEAR FRIEND,

As I begin 2023, I am full of hope for the future. For the past 45 years, God has shown us how to build a firm foundation for In Touch Ministries—step-by-step, in ways we could never have imagined. Now as we look forward to the next 45 years, I am filled with joyful expectancy. You may think that strange for a man who is 90. And it is true that after nine decades of life, I am finding myself

limited in ways that are humbling. But I am also observing anew how vastly unlimited God is. I see what the Lord has started at In Touch, the opportunities He continues to bring us, and the messages we receive daily from people around the world who are engaging with In Touch for the first time and are having their lives changed by Jesus. It is overwhelming. And it's too good to keep to ourselves.

This is why my team and I have put together this report for you. All of us have questions about what's next. What does the future hold? And what does In Touch Ministries look like going forward? I can assure you these questions have had us on our knees in prayer since In Touch started. And now, as I am no longer preaching regularly, they are even more crucial for God to answer. After all, we always want to stay in the center of His will for us.

But as my CEO Phillip Bowen, the staff at In Touch, and I have sought the Father, there has been one word which He has pressed on our hearts: **EXPAND**. And the promise God has given us is from Isaiah 54:2–3,

“Enlarge the place of your tent; stretch out the curtains of your dwellings, do not spare them; lengthen your ropes and strengthen your pegs. For you will spread out to the right and to the left.” God has shown us that we have an excellent foundation—an extensive library of discipleship resources that need to go further. He has also revealed that we must go forward in faith—to new places and through innovative technology to lead more people into a growing relationship with Jesus Christ. So we are obeying Him wholeheartedly, stretching further than we ever have before. Because, after all, this ministry belongs 100% to Him.

We are in an exciting season at In Touch Ministries. And I want to thank you for partnering with us in the enduring work of teaching His Word. I pray this report will inspire you and make you as joyfully expectant for the next 45 years as I am. May the Father continue to bless you and your family as you seek and serve Him in the days ahead.

Prayerfully yours,

Charles F. Stanley

P.S. Be sure to read Phillip's letter at the end of this report. As the longest tenured CEO I've had and a profoundly Spirit-led man of prayer, he not only shares my heart and vision, but has been a true encouragement to me—finding ways to take the message of salvation further. I am very grateful for him, and I know you will be too.

Where Are Our Resources Going?

With Dr. Stanley's leadership, In Touch Ministries continues to reach the world with biblical, practical, and inspirational messages about knowing and following Jesus.

The desire of our hearts is to glorify Jesus and help others walk with Him daily. We know that's what you yearn for as well, and that you have been a faithful partner as we do so. Therefore, in this report, we want to show you what's next for In Touch Ministries in 2023.

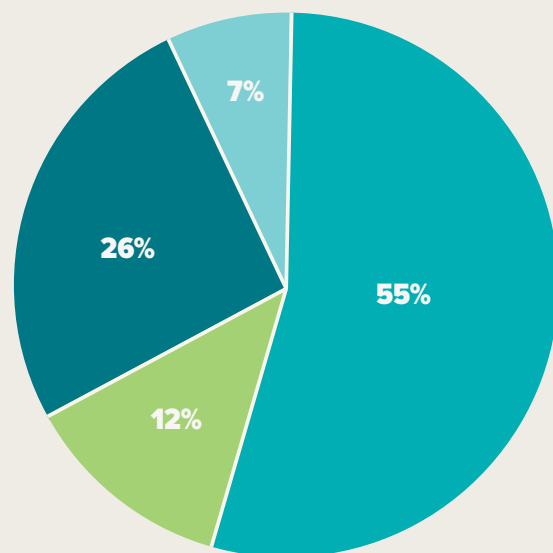

As Dr. Stanley leads us in praying through our priorities for the coming year, we start with the mission God gave us. He commanded us to lead people worldwide into a growing relationship with Jesus Christ and to strengthen the local church—which shapes all we do. We seek to be excellent and resourceful stewards of all He has given and what you have so generously invested in us. This is why we hold fast to the principle that 93 cents of every dollar will go directly to proclaiming His Word. This is how He has led us to apportion resources.

In the following pages, you will see how God is leading us to expand in many areas. We are so glad you are with us. There is no way to quantify how much it is worth to lead someone to Jesus in salvation or to make a disciple. The return on investment is immeasurable and eternal. Thank you for partnering with us in hopefulness and faithfulness regarding this crucial work. We are more grateful than words can express.

I started listening to Dr. Stanley about eight or nine years ago. I had drifted far from God, and Dr. Stanley pointed me back to Him. For that, Dr. Stanley will always have a very special place in my heart. The In Touch daily devotionals were a huge blessing as well. They opened the door to daily prayer and study and have continued to bless me on a daily basis ever since. Thank you, Dr. Stanley, and all of you at In Touch Ministries! Through the work you do, God is changing lives ... He definitely changed mine!

Global Ministry

Expanding through discipleship in new languages

THIS GOSPEL OF THE KINGDOM SHALL BE PREACHED IN THE WHOLE WORLD AS A TESTIMONY TO ALL THE NATIONS. MATTHEW 24:14

One of the most exciting aspects of God's work in the world today is that He is accelerating the work of Bible translation in ways never seen before. According to 2022 data from Missio Nexus and ProgressBible, an astounding **2,845 translation projects are currently in progress**. This means that throughout the earth, people are beginning to read God's Word and have faith in Jesus. What a reason to rejoice!

However, as new faith flourishes in these areas, people have many questions about the Christian life, and they need to find trustworthy answers. This is where In Touch Ministries is finding extremely fruitful ground for ministry. There is no one like Dr. Stanley to provide biblical responses to questions of the faith.

SPOTLIGHT: SOUTH SUDAN

One of the standout areas for In Touch is South Sudan, which is seeing an explosion of first-generation believers through the work of missionaries from surrounding African nations, such as Nigeria and Ethiopia. One Sudanese missionary commented, **"We are like the lady at the well, when Jesus told her who she was and that she was forgiven. Like her, we are running, sharing the gospel with many people using the little we have learned about our Savior."**

However, South Sudan continually faces challenges such as poverty and food insecurity, attacks from armed groups, and a very diverse ethnic makeup, with more than 60 distinct groups comprising its citizenry. As one might imagine, this leads new believers to question God's role and provision in their lives, and how they can respond in a manner that honors Him.

As you well know, Dr. Stanley answers such questions about adversity, loving neighbors who are different from us, and finding our identity and security in Christ. And he does so in a manner even a child can understand, straight from the Bible. Therefore, In Touch Ministries is expanding its ministry in South Sudan in 2023 by:

- Translating Dr. Stanley's messages into Dinka and Bari and airing the messages on radio.
- Sending 10,000 Messengers and 5,000 resource-filled SD cards.
- Holding two Life Principles Pastors Conferences.
- And raising up an indigenous Life Principles teacher in South Sudan who can train more ministry workers.

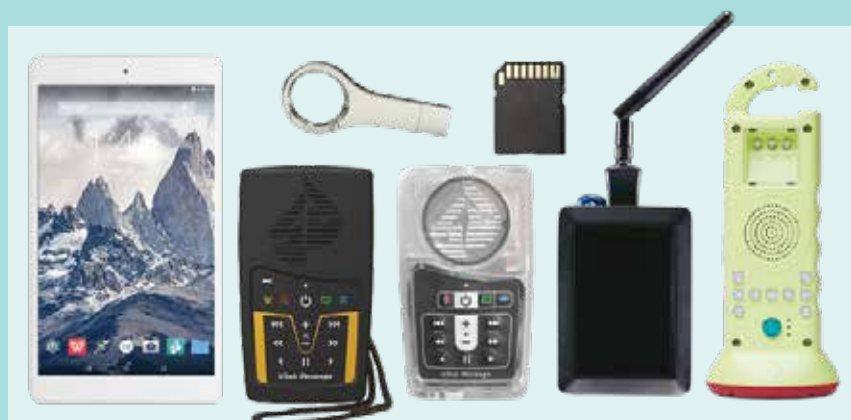

From the Himalayan foothills to the African savannas, more than one million Messengers have reached people with the good news of Jesus Christ.

Messenger Lab electronic devices are loaded with discipleship resources: the entire Bible, Dr. Stanley's foundational sermons, the **30 Life Principles**, and other materials that explain salvation and help develop mature believers.

Global goals for expansion:

- To distribute 240,000 more Messengers in the next two years, for a total of 1.5 million Messengers circulated worldwide.
- To increase the number of languages Dr. Stanley's messages have been translated into from 127 to 150 in the next two years. This means providing discipleship resources to 23 linguistic groups who are just now receiving a Bible in their heart language for the first time.

When I got this audio Bible in Nepali, I was very happy because I don't know how to read and write. From the day I received it, I am faithfully hearing it after completing my work. It changes many things in my life. I am able to understand the Word of God very clearly. I came to know the Lord of the Bible and all His mighty works. What He has done to save sinners. It is a small but unique device which not only contains the Bible but messages—also very inspiring. Many times I thought, This is purely for me only....I praise God for the provision of this audio Bible.

LIFE PRINCIPLES PASTORS CONFERENCES

Missiologists have shown that the best way to reach people is to raise up Christian leaders from among their own. This is why In Touch Ministries currently trains local pastors in developing countries through the Life Principles Conferences. Often, these pastors do not have the privilege of formal training. But the Life Principles Conferences teach them to walk with Jesus and listen to God—the strategy that allowed Christ’s original disciples to reach the world. This has proven to be very powerful and effective for the congregations and in the communities where these pastors serve.

PARTNERSHIPS WITH
INSTITUTIONS OF HIGHER LEARNING

In Touch Ministries is also expanding through educational partnerships with Christian colleges and universities to invest in the next generation of pastors, ministers, missionaries, and disciples.

For example, at Southwestern Baptist Theological Seminary, In Touch Ministries established the Charles F. Stanley Chair for the Advancement of Global Christianity to support the World Christian Studies (WCS) doctoral program. WCS is groundbreaking in Christian theological education because many of the leaders that graduate with the degree are establishing accredited evangelical seminaries where there is a great need—in nations such as Nigeria, Madagascar, Zambia, and Malaysia. And they are effectively training indigenous pastors and ministry workers.

WCS is another way for In Touch to expand its ministry by training pastors and missionaries who will then teach their people how to obey God and leave the consequences to Him. Likewise, this program allows In Touch to have an ever-expanding network of seminaries and ministry workers around the globe that we can partner with to lead souls throughout the earth into a vibrant, intimate relationship with Jesus.

I am honored to think of all the pastors, professors, and even founders of seminaries, who will be trained through the World Christian Studies program at Southwestern Seminary. When I was a young man just starting out, a pastor helped me so I could receive a scholarship and get an education. It is a joy to think In Touch is partnering with Southwestern to do that for young men and women all over the world.

Expanding in Print

THIS GOSPEL OF THE KINGDOM SHALL BE PREACHED IN THE WHOLE WORLD AS A TESTIMONY TO ALL THE NATIONS. MATTHEW 24:14

One of the ways In Touch Ministries has consistently expanded Dr. Stanley’s teaching ministry is to offer his letters, devotionals, books, articles, and free resources in print, as well as resources inspired by his messages written by our staff of writers. Some to watch out for include:

The Gift of Jesus (October 2022)

In *The Gift of Jesus*, Dr. Stanley takes a deeply personal and inspiring look at how God gave us Himself through the birth of Christ. Through His incarnation, the Savior showed Himself intimately involved in every detail that concerns us. So if you’re searching for comfort and direction or if you’d like to embrace the significance of Jesus’ birth anew, worship the One who gave everything to walk with you each step of the way. Reflect on the gift of Jesus and all He wants to be in your life.

Trusting God With Today Devotional (October 2023)

Life is full of challenges and opportunities, and the best thing you can do no matter what arises is to trust God wholeheartedly. What you believe about Jesus is central to who you are—it will shape your life, your relationship with Him, and your interactions with others. If you’re not confident that the Lord is sovereign, that He considers you worthy and lovable, and that He knows the best path for your life, then you will never have the faith to follow where He wants to lead you. In this new devotional, Dr. Stanley reminds you of God’s trustworthiness daily so you can remain firmly in the center of His will and experience His very best for your life regardless of what happens.

Full of powerful insight into God’s Word, wise counsel, and practical instruction, receiving one in the mail is sure to encourage the soul. And that will not end. Each month, you will continue to receive Dr. Stanley’s encouragement so you can grow closer to the Savior.

In Touch Monthly Devotional

Expanding in Digital

Of course, intouch.org and your favorite In Touch Ministries digital streaming options will not only continue providing your favorite resources; they are expanding too!

The online world can be a dark place full of distractions, bad advice, and misinformation. But at In Touch Ministries, our goal is to leverage technology to provide a well-lit path of biblical truth so that people can find the spiritual direction they need from a source they can trust.

This is why millions of people visit the intouch.org website each year to watch sermons, listen to radio messages, and read articles, including the popular daily devotionals. - Conducting special digital outreach efforts in places such as Kenya, South Africa, Indonesia, and the Philippines so we can engage and disciple people more effectively.
